

Australia's Specialist Manufacturer of Blinds and Curtains for Commercial and Multi Residential Projects.

Our family kicked this business off in 1976 and we are still at it!

Norfolk Blinds Pty Ltd was established as a part of the original family business in 2003 as a specialist manufacturer of blinds and curtains for Commercial and Multi Residential Buildings.

Norfolk Blinds Pty Ltd is an established nationally recognised supplier of blinds and curtains for commercial projects, along with our wholesale manufacturing across our full range of products.

With Offices in Sydney, Melbourne And Camdale, we are able to provide a co-ordinated high level of service across Australia, with site teams in all states.

Being an agile manufacturer enables Norfolk Blinds to deliver custom manufactured sun control products quickly, with the highest quality, meeting any specification or schedule.

Where possible, Australian manufactured mechanisms and fabrics are utilised, whilst embracing up to the minute computerised manufacturing equipment and project tracking, with full LEAN aligned manufacturing facilities.

With our strength in the Australian Market, we have entered into supply agreements with a number of the global leaders in our industry, ensuring partnerships that bring value to the complete process and keep product standards at the forefront to maintain quality finished products for any project.
